18. Tool Policy:

Seller maintains ownership of tooling and fixtures manufactured by Seller to protect the proprietary nature of specific design elements in our tools. To accomplish this in a fair and equitable manner, Seller charges only a "partial tooling charge" to the Buyer. This charge covers the cost of material and labor only to create the tool or fixture. Seller is responsible for all future costs of repair and maintenance of tools and fixtures throughout the life of these tools. In many cases these future costs exceed the initial cost to create the tools. Seller is responsible to maintain these tools and fixtures in production ready status. Seller warrants that at the time of shipment, the products manufactured by Seller and sold hereunder, will be free from defects in material and workmanship and will be in conformity with the applicable written specifications. If it appears that within **six (6) months** of shipment from Seller's plant, the products sold hereunder do not meet the warranty specified above, and the Buyer gives written notice to Seller thereof within thirty (30) days of Buyer's discovery of such non-compliance, then after Seller has examined and tested the allegedly non-complying product and found said to be, in fact, defective within the above warranty period, Seller will at its option, either (A) furnish a replacement for but will not install, any product or components thereof which prove to be not in compliance with the aforesaid warranty, or, (B) issue a credit for the purchase price of any product or components thereof which prove to be not in compliance with the aforesaid warranty. Seller's liability in all circumstances shall not exceed the dollar amount of the related shipment. No product claimed by the purchaser to be defective within the above warranty will be accepted for return for replacement or credit without the written authorization, RMA from Seller, which authorization must be given in advance of Buyer's return of said product, and the RMA number must be clearly visible on the outside of the shipping container.

THE FOREGOING WARRANTY IS IN LIEU OF ALL WARRANTIES EXPRESS OR IMPLIED, AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES INCLUDING WITHOUT LIMITATION WARRANTIES IMPLIED UNDER LAW SUCH AS BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE. The foregoing warranty does not extend to any product manufactured by Seller which has been subjected to misuse

by Buyer, neglect, accident, or improper installation; nor does the said warranty extend to or apply to any unit which has been repaired or altered by persons not expressly approved in writing by Seller.

Components manufactured by any supplier other than Seller, which are sold hereunder, shall bear only that warranty made by the manufacturer of those components; but in no event shall such a warranty be more extensive in any manner than Seller's product warranty errors, defects, or omissions in the design of any product sold hereunder irrespective of whether such errors, defects, or omissions in design result from acts or omissions of Seller or of Buyer or of some other third party. For products damaged in transit, claims must be filed with the common carrier. All such claims should be filed immediately upon receipt of goods.
